

DXC Invitational 2023

Asia Pacific, Japan, Middle East and Africa

A competition for late-stage start-ups and scale-ups to help drive innovation in the insurance industry

Tuesday 28th November 2023

Thanks to everyone who took part in this year's event. The invitational, held at the UTS Startup Hub in Sydney (with many joining online as virtual participants and audience members), had onlookers watching on as finalists from across the globe pitched their unique products and services.

We were privileged to have the services of our esteemed judging panel (also both in-person and virtual):

Troy Filipcevic
Chief Information & Innovation Officer
Emergence

Yousuf Amin
EVP & Chief Operational Services and Technology Officer
Abu Dhabi National Insurance Company

Ruth Goldwater
Chief Operating Officer
Fidelity Life

Declan Collins
Chief Operating Officer
ReturnToWorkSA

Sivakumar Seshadri
Chief Digital Officer
Tawuniya

Simone Dossetor
Chief Executive Officer
Insurtech Australia

DXC's two categories of competition were:

1. Improving the insurance value chain
2. API integration into the DXC Insurance Software Suite

After an introduction from Simone Dossetor (Insurtech Australia), proceedings started with MC Dr Michael Neary (DXC Technology) and Murray Hurps (UTS), and the pitching commenced!

The list of finalists were:

- 3motionAI
- [Staunch Technology](#)
- [FEFO Consulting \(Health & Safety Index\)](#)
- Metluma
- Knowby
- [LeapForward](#)
- Moodfix
- INSILLION
- Agiliux Cloud Insurance
- Airdocs
- [Revealr](#)
- [EasySend](#)
- [Evari](#)
- [Entsia](#)
- [HumanableCX](#)
- Works Platform
- [Curium](#)

A wide array of Insurtech solutions were presented by this elite group! Competition was fierce, but in the end there could be only 2 winners. Congratulations went to:

Mike Jones from [Airdocs](#),
and
Paul Salmon from [Moodflx](#)

For those who missed joining the Invitational on the evening, [you can access the recording of the event here](#).

Thanks to everyone involved in this year's DXC Invitational – including judges and entrants, but especially DXC Technology and UTS Startups who partnered with us in presenting this event.
